will be no war. They argue that a team on the North Side will not interfere with be on hand at 7:45 p. m., when they will on the North Side will not interfere with either of the major league teams here. They do not fear their organization will be declared outlaw, as war would be a expensive thing, and that there would be contract jumping and other ugly fea

Will Fight Outlaws.

is likely there will be the merriest sort of war, with Chicago as the storm center. Callahan is an outlaw, and the national commission refused to reinstate him when Comiskey wanted to sign him. Since that Move Not Popular in the Capital time he has operated an outlaw team. Both major leagues are jealous of their territorial rights, and will probably make it interesting for the association.

Joe Cantillon has decided to strengthen his Minneapolis team by sending Graham, Block, and O'Brien, and perhaps another man as well, to the Millers. It is said other important changes are pend-

Hussey in Brooklyn.

Ambrose W. Hussey, the Brooklyn man, controlled Ridgewood Park, where there was so much talk about Sunday baseball a couple of years ago. That park has now been cut up into building lots, but Mr. Hussey opened new grounds that proved successful last season. It is stated that he is really responsible for the "expansion" of the big towns of the Atlantic League to the Union League. This is what he says:

In Brooklyn there are three millionaires behind the club, and last season we as the Nationals. Mr. Ebbets tried in every way to interfere with our success. They stole our players so fast that they got overstocked. We could always re place the men taken away, and I guess we can develop a lot more for them next season, but they will have harder game to tackle than they had in 1907, when we uld not afford to retaliate.

H. Walter Schlicter denies that he s the real Philadelphia club's "boss," but says that he is only representing for the present men of ample means and aggressiveness to make the Quaker City a power in the new league. The gen-eral opinion of the Philadelphia newspaper men who congregated in the lob-bies of the Bellevue-Stratford while the meeting was in session yesterday was

that the men represented by Mr. Schlicthat the men represented by Mr. Schlicter are real men, with real money, and that real grounds have been secured in

The visible representative of the Baltimore club is well known, but Dr. King says that there are others behind him who are putting up most of the money

The Newark man, A. P. Konkle, claims to have been successful with his Atlantic Lesgue venture last season and is rather enthusiastic about the new venture. Paterson club, is a resident of Pen-Yan, N. Y., and has been organizing clubs in various localities for some years. He was

Will Develop Players.

"A modest beginning" seemed to be the sentiment of all interested in the new league. President Lawson said that no club of the combination had any idea of trying to entice away any players from Unless the plans of the premoters of the larger minor leagues. "There are the Union Basebali League, which was many youngsters who show signs of isted in the minds of local and visiting organized at Philadelphia on Monday ability at the start," he asserted, "even horse-players regarding Barney Schreievening, miscarry, Washington will have though they may be buried in the smallest ber's Jack Atkin as being the best shortorganization was maintained until last we can get fine, fast teams that way with cantered over a good field of sprinters in
